The message of the Deputy Prime Minister for reintegration on the occasion of the day of the National Flag of the Republic of Moldova

Dear fellow citizens, friends!

Today, April 27, we mark Day of the National Flag of the Republic of Moldova.

The holiday that inspires feelings of pride, love of motherland, firmness and courage.

The Flag – the symbol that identifies itself with the independence, sovereignty and territorial integrity of the Republic of Moldova is today the inalienable element of our identity as a people.

Our country, we, the citizens from every corner of this land need unity and involvement, regardless of ethnicity and political preference.

Today, the tricolor mobilizes the society, reminds of the sacrifices of the predecessors and returns to historical roots, being a mark of the past, present and future of these realms.

We wish you all health, successes and outstanding achievements in the efforts to build a strong state and a prosperous future here, at home, in the Republic of Moldova!

Congratulations, Republic of Moldova!

Congratulations, Tricolor!

With utmost consideration,

Oleg Serebrian,

Deputy Prime Minister for reintegration
