

Current Issues Related to the Transnistrian Settlement Discussed by Deputy Prime Minister for Reintegration Valeriu Chiveri and Ambassador of Ukraine to the Republic of Moldova Paun Rohovei

On 25 August 2026, Deputy Prime Minister for Reintegration Valeriu Chiveri held a working meeting with Ambassador of Ukraine to the Republic of Moldova Paun Rohovei.

During the discussions, developments in the negotiation process on the Transnistrian settlement, the situation in the region, as well as Chişinău's efforts to address existing issues and advance reintegration policies aimed at bringing the two banks of the Nistru River closer together were addressed.

Ambassador Paun Rohovei reaffirmed Ukraine's firm support for a peaceful settlement of the Transnistrian conflict, whilst respecting the sovereignty and territorial integrity of the Republic of Moldova within its internationally recognized borders, as well as the country's European course and efforts towards modernization and development.

The discussions also focused on prospects for strengthening bilateral relations, including through the development of dialogue within the Moldovan-Ukrainian Joint Intergovernmental Commission on Economic and Trade Cooperation, as well as possibilities for resuming its activities.

Furthermore, on the occasion of the national holidays, Deputy Prime Minister Chiveri extended his congratulations on Ukraine's Independence Day. The Ukrainian Ambassador, in turn, conveyed congratulations on the occasion of the Republic of Moldova's Independence Day.

The officials emphasized the importance of continuing dialogue on issues of mutual interest.
