

Working visit of Deputy Prime Minister for Reintegration to Dubăsari District

On September 16, 2024, Deputy Prime Minister for Reintegration Oleg Serebrian, together with members of the Special Commission for Parliamentary Monitoring and Control over the Implementation of Reintegration Policies in the Republic of Moldova, as well as representatives of the Bureau for Reintegration Policies, paid a working visit to Dubăsari district.

Within the Dubăsari District Council, discussions were held with the district authorities, mayors of localities in the district, economic agents and farmers, addressing the problems faced by the citizens of the region.

Attention was drawn to the possibilities of developing settlements, restoring infrastructure and attracting investments to accelerate the country's modernization process. In this context, the Deputy Prime Minister noted that in the period from 2011 to 2024, the settlements of Dubăsari district, located in the Security Zone, received allocations in the total amount of over 43.5 million lei within the framework of the Program of Activities for the Reintegration of the Country to finance 154 projects:

- 46 projects for the development and modernization of educational institutions;
- 37 projects to repair/equip administrative buildings, cultural, sports and health care institutions;
- 71 projects for the arrangement of recreational areas and other public spaces.

During the meeting, the difficulties related to public transport, rehabilitation of road infrastructure, as well as the problems faced by farmers whose land plots are located after the Râbnița-Tiraspol route were discussed.

Deputy Prime Minister Oleg Serebrian assured that the owners of land plots located after the Râbnița-Tiraspol route will receive compensation, and the financial resources will be distributed by the Dubăsari District Council. (
