On January 19, 2026, Deputy Prime Minister for Reintegration Valeriu Chiveri held a meeting with the Ambassador of the Kingdom of Belgium to the Republic of Moldova, Evert Marechal.

During the discussions, the current situation in the eastern districts of the country was addressed, along with the ongoing issues faced by residents on both banks of the Nistru River and the measures undertaken by the national authorities to resolve them.

The Belgian diplomat reaffirmed constant support for a comprehensive, peaceful, and sustainable settlement of the Transnistrian conflict, with respect for the sovereignty and territorial integrity of the Republic of Moldova, as well as for advancing the country's European path.
