ATTENTION! The information campaign on participation of motor-vehicles from the Transnistrian region in international road traffic starts on 25 January

This is to inform that starting today, 25 January, 2021, relevant institutions start the information campaign for the inhabitants of the Transnistrian region, who travel through the crossing points of the state border of the Republic of Moldova by means of transport. The information campaign concerns the categories of plates and accompanying documents to be obtained/held in order to participate in the international road traffic.

This measure is meant to facilitate the implementation of confidence measures between both banks of Nistru and to streamline the activity of the Vehicle Registration Points from Tiraspol and Rybnita, as to enhance the registration of neutral plates and certificates, but also to comply with the requirements of the national regulatory framework.

The purpose of the information campaign is to collect and analyze statistical data from the field, to notify drivers from the region about the requirements of the current legislation and the international treaties to which the Republic of Moldova is a party. Subsequently, a consolidated institutional decision will be approved in this regard.

Detailed information related to the procedures and documents required to be submitted when crossing the state border of the Republic of Moldova by means of transport will be provided by the territorial subdivisions of the Public Services Agency and the Border Police of the Republic of Moldova.
