

Prime Minister to visit Ialoveni district

6 March 2025, Chişinău - Prime Minister Dorin Recean will visit Ialoveni to meet with local authorities and visit various social objectives and businesses that have benefited from government support.

The Prime Minister will meet with representatives of local public authorities in the district and decentralized services to discuss the state of affairs in the district's localities and priorities for the upcoming period.

He will examine the implementation of several projects under the European Village program. This includes ensuring water supply to Suruceni village and the renovation of the Cultural House in the same locality.

In Ialoveni city, Recean will visit the central stadium, which was modernized last year.

The Prime Minister will also speak with two entrepreneurs engaged in production activities in the villages of Văsieni and Ulmu.
