Working visit of the Deputy Prime Minister for reintegration to Basarabeasca

On April 13, Deputy Prime Minister Oleg Serebrian, co-president of the Republic of Moldova - Ukraine intergovernmental mixed commission, paid a working visit to Basarabeasca district.

During his trip, Oleg Serebrian visited the Basarabeasca railway junction and the ”Basarabeasca - Serpniovo-1” railway crossing point.

The visit continued with the documentation of some parts of the Moldovan-Ukrainian border and the customs control point and the ”Basarabeasca-Serpniovo” (Ukraine) border crossing point.

In conclusion, Oleg Serebrian had a working meeting with the management of the district and nearby towns. During the meeting, Oleg Serebrian was informed about the social-economic situation in the district, the problems faced by the local authorities, the development vision of the region and cross-border cooperation with Ukraine.
