The Deputy Prime Minister for Reintegration Valeriu Chiveri met with the Minister of Foreign Affairs of Romania Oana Țoiu

During a working visit to Bucharest, Deputy Prime Minister for Reintegration Valeriu Chiveri held a meeting on March 9, 2026, with the Minister of Foreign Affairs of Romania, Oana Țoiu.

The discussion focused on the dynamics of the negotiation process on the Transnistrian settlement, as well as on cooperation between the Republic of Moldova and Romania aimed at strengthening regional stability and security.

During the meeting, the Deputy Prime Minister expressed appreciation for the consistent support provided by Romania to the Republic of Moldova, including in promoting its European development path, strengthening institutional resilience, and implementing development projects.

A separate topic of discussion concerned the field of education, with emphasis placed on the importance of Romania’s support for the development of the education system in the Republic of Moldova, including support for educational institutions located in the Transnistrian region that contribute to preserving and promoting Romanian linguistic and cultural identity in the area not controlled by the constitutional authorities.

The officials also exchanged views on the current situation in the Transnistrian region and the necessity to maintain a coordinated approach at the regional and international levels in order to advance the process of a peaceful settlement of the Transnistrian conflict, in accordance with the principles of sovereignty and territorial integrity of the Republic of Moldova.

At the end of the meeting, the parties confirmed their readiness to continue dialogue and cooperation in order to deepen bilateral relations and identify sustainable solutions for the settlement of the Transnistrian conflict.
