

# Meeting of the Deputy Prime Minister for Reintegration with the Head of the Konrad-Adenauer-Stiftung Office in Moldova

On June 18, 2026, Deputy Prime Minister for Reintegration Valeriu Chiveri met with the Head of the Konrad-Adenauer-Stiftung Office in Moldova, Dr. Brigitta Triebel.

During the meeting, the dynamics of processes related to the Transnistrian settlement were discussed, as well as the Government's main efforts to advance sectoral reintegration policies, and the benefits and opportunities that, in this context, are opening up for the population on both banks of the Nistru River.

In addition, issues of mutual interest were addressed, which are planned to be implemented in the near future in order to contribute to a better understanding of the Transnistrian issue in Berlin and other European capitals, as well as to strengthen support for the Republic of Moldova.
