Participation of the Deputy Prime Minister for Reintegration Valeriu Chiveri in a round table on the Transnistrian settlement process, organized in Vilnius

Deputy Prime Minister for Reintegration Valeriu Chiveri, during his working visit to Vilnius, Republic of Lithuania, participated on 9 July 2026 in the round table entitled “The Transnistrian Conflict Settlement Process: Strategic Perspectives”, organized by the Ministry of Foreign Affairs of Lithuania.

The event was attended by representatives of the Lithuanian authorities, the diplomatic corps, experts and international partners, providing a platform for dialogue on the developments in the Transnistrian conflict settlement process, current security challenges and prospects for achieving a peaceful and sustainable solution.

In his speech, the Deputy Prime Minister presented the main achievements in the country’s reintegration process, highlighting the measures undertaken by the authorities of the Republic of Moldova to extend the single fiscal and economic space throughout the entire territory of the country.

The official also informed the participants about the preparations for the launch of the Convergence Fund, a mechanism intended to finance social and infrastructure projects for the benefit of the inhabitants of the eastern districts of the Republic of Moldova. He emphasized that the Fund will contribute to improving citizens’ quality of life, reducing development disparities between the two banks of the Nistru River and strengthening the country’s reintegration process.

The participants of the event confirmed the importance of maintaining dialogue and international support in order to promote a peaceful and sustainable settlement of the Transnistrian conflict, based on respect for the sovereignty and territorial integrity of the Republic of Moldova.
