

Deputy Prime Minister for Reintegration, Roman Roșca, held a working meeting with the Ambassador of Japan to the Republic of Moldova, H.E. Yamada Yoichiro

On August 8, 2025, Deputy Prime Minister for Reintegration, Roman Roșca, held a working meeting with the Ambassador of Japan to the Republic of Moldova, H.E. Yamada Yoichiro.

During the discussions, the Deputy Prime Minister's priorities in the country's reintegration process, the current situation in the Transnistrian region and the Security Zone, and Chișinău's efforts to maintain a climate of peace, stability, and security in the current regional context were touched upon.

Officials discussed the advancement of the European integration path of the Republic of Moldova and the positive role of this process in strengthening the rule of law, protecting human rights, and developing the economy, essential elements also for encouraging the peaceful and sustainable reintegration of the Transnistrian region into the unique national spaces.

Deputy Prime Minister Roman Roșca expressed appreciation for Japan's consistent support for the Republic of Moldova, including through investment and sustainable development projects.
