Government approved the allocation of 15 million lei for the development and modernization of localities from the Security Zone

26.05.2021, Chisinau – 41 projects for community and regional development, modernization of educational institutions, assembling of recreational areas and public spaces, promotion of cultural and artistic activities, support to the medical sector, and provision of essential public services will be implemented this year to the benefit of the residents from both banks of the Nistru river.

There will be 15 million lei allocated from the 2021 state budget for their financing, based on the provisions of art.3 let.a) of the Law on the 2021 state budget, no.258 of 16.12.2020.

Beneficiaries of the projects are the local and central public administration authorities that have budgetary-fiscal relations with the public system of the Republic of Moldova, and the projects will be implemented in the Security Zone and localities from the left bank of the Nistru.

The projects included in the 2021 Country Reintegration Action Program were selected on the basis of a competition by a commission, whose nominal composition was approved by the Government Order no.24-d/2021. The competition procedure took place according to the Regulation on selecting and recording projects within the Country Reintegration Action Program, approved by Government Decision no.131/2014. There were 143 project proposals submitted between 18 January and 19 February 2021.

The Ministry of Finance will cover the expenses for the reintegration activities based on the payment documents that the beneficiaries will submit to the regional treasuries.

At the same time, the central and local public administration authorities that will benefit from the financial means through this Program have the obligation to capitalize them according to the destination until the end of the 2021 budget year (quarter IV) and to present to the State Chancellery (Bureau for Reintegration) semestrial and annual reports on the use of the allocated funds.

We would like to remind that since the launch of the Country Reintegration Action Program in 2011 and until 2020, there were implemented 435 projects/activities worth about 126.74 million lei in the localities from the Security Zone perimeter of the Republic of Moldova.
