Resumption of the Vehicle Registration Points activity was addressed in an online meeting

11.06.2021, Chisinau – Today, an online meeting of the working group for the development of road transportation and infrastructure was convened by the experts from Chisinau and Tiraspol.

The agenda included several current issues, including the finalization and implementation of the new tariffs for the registration of means of transport starting with 1 June this year.

The experts analyzed the achievements made on solving the technical problems, as well as the solutions that can be taken to optimize the processes. They also tackled the requirement of mutual information in writing in order to streamline the activity of the Vehicle Registration Points from Tiraspol and Ribnita.

The Chisinau representatives urged the colleagues from Tiraspol to improve and update the information system (soft information) as to unblock the activity of the Registration Points.

At the end of the discussions, the experts mentioned their availability and openness to continue a productive dialogue.
