Information regarding the extension until March 11, 2022, of the deadline for presenting project proposals for the contest of budgetary allocations to be distributed through the Program of Activities for the Reintegration of the Country for 2022

In connection with the submission of an insufficient number of proposals to the contest aiming to assess, select and approve projects for funding through the Program of activities for the reintegration of the country for 2022, we inform about the extension of the deadline for submission of project proposals until March 11, 2022.

The conditions for participation in the contest, the eligibility criteria and the priorities set for the current year were described in the announcement of 19 January 2022: https://gov.md/ro/content/anunt-privind-lansarea-concursului-de-colectare-propunerilor-de-proiecte-ce-urmeaza-fi
