The project selection commission within the Program of activities for the reintegration of the country for the year 2022 has convened in its second meeting

Under the auspices of Deputy Prime Minister Oleg Serebrian, a new meeting of the members of the project selection Commission was convened within the Program of activities for the reintegration of the country for 2022 (the first meeting took place on April 1).

The members of the Commission examined the projects collected at the contest stage and the accompanying file, checked their compliance with the eligibility criteria and the established priority areas, exchanged views on them, and applied the evaluation score in accordance with point 22 of annex no.1 to the Government Decision no.131 of 21.02.2014, taking into account the presence of financial contributions from the requesting authorities.

The list of project proposals has been submitted to the voting procedure by the members of the Commission, and the most competitive projects, with major impact in achieving the government's goal of reintegrating the country and which have accumulated the highest score are to be systematized, finalized and included in the project of Government Decision on the approval of the Program of activities for the reintegration of the country for the year 2022, which will be approved and publicly consulted according to the requirements of the legislation in force.
