Working visit of the Deputy Prime Minister Oleg Serebrian in the village Hagimus

Deputy Prime Minister for Reintegration Oleg Serebrian and representatives of the Burea of Reintegration Policies paid a working visit to Hagimus village, Causeni district.

During the discussions several topics related to environmental protection, development of the village economy and infrastructure and freedom of movement were addressed, as well as the impact of programs of reintegration activities that are supported by budget allocations, which is being considered a good practice promoted by the Government.

On this occasion, the Deputy Prime Minister had meetings with representatives of the local public administration, economic agents, prominent members of the local community, etc.

It is worth mentioning that during 2016-2020 the Hagimus mayor’s offie benefited from financial support within the Program of activities for the reintegration of the country and through other programs promoting confidence-building measures in the total amount of over 4 million lei. Thus, the classrooms for the youngest ages at the kindergarten, the auxiliary rooms and the sanitary blocks were rehabilitated, the street lighting networks were extended, the headquarters of the Family Physicians Center in the locality was built, etc.

Being on the spot, on this occasion, Deputy Prime Minister Oleg Serebrian visited the public institutions located in Hagimus village: Family Physicians Center, the House of Culture, the Kindergarten "Grigore Vieru" and the "Ioan Vodă" Gymnasium, getting acquainted with their activity. In this context, the need to contribute to the efficiency of the provision of quality public services to citizens was mentioned.

Deputy Prime Minister Oleg Serebrian expressed openness to continue the dialogue and gave assurances that the topics addressed during the working visit were taken into account and that, together with the competent national authorities, but also within the existing negotiation formats, possibilities to solve them will be sought.
