Discussions on the issue of illegal posts in the Security Zone continued during the Joint Control Commission

The weekly meeting of the Joint Control Commission that took place in Bender on October 27, 2022 began with the hearing of the reports of the Joint Military Command regarding the situation in the Security Zone.

Thus, the members of the Commission took note of the military reports for the periods October 5-11 and October 19-25, which contain information on the presence of illegal posts of the Transnistrian force structures in the area of responsibility of the Mixed Peacekeeping Forces.

Later, the main topic of the discussion was the issue related to the illegal posts installed contrary to the basic acts of the peacekeeping operation on the Nistru river.

The delegation of the Republic of Moldova reasonably advocated for the elimination of these impediments to free movement, which endanger the lives and health of citizens.

Tiraspol's representatives once again showed bothered by Chisinau's proposals to solve the issue of illegal posts.

The debates ended without a decision being taken on the subject, and the meeting was postponed to the following week.
