The Deputy Prime Minister for reintegration commemorated the fallen heroes in the armed conflict of 1992 for the protection of the integrity and independence of the Republic of Moldova

On June 19, 2023, the Deputy Prime Minister for reintegration Oleg Serebrian participated in the ceremony commemorating 31 years since the start of the military conflict on the Varnița-Tighina plateau to defend the integrity and independence of the Republic of Moldova.

Together with representatives of the Parliament and the Government of the Republic of Moldova, the national police, peacekeeping units, local and central public administration and war veterans, the Deputy Prime Minister laid flowers in front of the Memorial Chapel and the "Grieving Mother" monument.
