

The Deputy Prime Minister for Reintegration Oleg Serebrian had a working meeting with the representatives of the United Nations in the Republic of Moldova

Today, December 19, 2023, the Deputy Prime Minister for Reintegration Oleg Serebrian had a working meeting with the representatives of the United Nations Organization in the Republic of Moldova (UN), during which the assistance projects implemented with the support of the UN throughout the territory of the Republic of Moldova were reviewed.

In the margins of the discussions, special attention was paid to potential initiatives to strengthen trust between the two banks of the Nistru River, in the context of the implementation of the project "Building sustainable and inclusive peace, strengthening trust and social cohesion in Moldova", which aims to contribute to maintaining sustainable peace, achieving social cohesion, promoting the "Women, Peace and Security" agenda and respecting human rights according to international standards in force, etc.

The Deputy Prime Minister for Reintegration welcomed once again the intention to carry out viable projects in the Transnistrian region of the country and reiterated the need for prior coordination of relevant parameters and activities with the Bureau for Reintegration Policies and the competent national authorities in order to comply with the commitments assumed and the principle of territorial integrity of the country.
