Regarding conditions for return in the Transnistrian region of vehicles with unauthorized license plates, which have not managed to pass over the territory of Ukraine, and of those, which have remained on Ukrainian territory

Following a dialogue with the Ukrainian authorities regarding the situation of vehicles with unauthorized license plates from the Transnistrian region, which have not managed to return to the region until October 1, 2021, as an exception and taking into account the humanitarian aspects of this situation, the Ukrainian authorities have taken the decision to allow:

a) Transiting the territory of Ukraine in the period January 24 – February 24, 2022, of transportation units with license plates from the Transnistrian region, which find themselves in third countries.

b) Exiting the territory of Ukraine toward the Republic of Moldova for vehicles in the same category, in the period January 24 – April 01, 2022.

The office of the political representative from Tiraspol and the actors of the 5+2 negotiation format have been informed about these decisions through the officially established communication channel.

At the same time, we underline that the mechanism applied beginning September 1, 2021, stays in force and, therefore, the participation in the international traffic and the transiting of the Moldovan-Ukrainian border will be allowed only to means of transportation registered according to general provisions of legislation of the Republic

of Moldova, according to the Protocol decision of April 24, 2018, to the provisions of the law no. 170/2018 and of the Government Decision no. 847/2018 and in compliance with the requirements of the Vienna Convention on Road Traffic from November 8, 1968.
