The energy crisis faced by citizens on both banks of the Nistru river - subject of the discussion with the representatives of Berlin Economics

Deputy Prime Minister for Reintegration Oleg Serebrian received the managing director of the German consulting group Berlin Economics, Dr. Ricardo Giucci.

During the discussions, topics were addressed related to the complex economic situation in the region, especially the energy crisis faced by citizens on both banks of the Nistru river.

The German expert informed about the analysis results regarding the local and regional electricity market situation.

Deputy Prime Minister Serebrian thanked the Berlin Economics team for the good collaboration with the authorities of the Republic of Moldova, appreciating the importance of the analyses provided by the German experts in the economic field.
