Forum ’Boosting the absorption of European funds by the Republic of Moldova - EU candidate country’

The Forum ’Boosting the absorption of European funds by the Republic of Moldova – EU candidate country’ takes place in Arad, Romania during November 17-19, 2022.

The event is attended by Eugen Cara, head of the Assistance Projects Section of the Reintegration Policies Bureau, who highlighted in his speech the importance of developing sustainable inter-institutional partnerships with EU countries, especially Romania, as well as implementing projects throughout the country, contributing to Moldova's efforts to join the European Union.

On this occasion, Eugen Cara thanked the hosts for the hospitality and unconditional support offered by Romania to our country in all areas of mutual interest.

During the three days, the organizers of the event will provide participants with first-class training based on the needs and requirements of real-time training to boost the process of absorption of European funds by the Republic of Moldova, while presenting theoretical/practical aspects in the field and encouraging representatives of the Republic of Moldova to continue improving its practices in this segment.

The Forum is organized by ‘Aurel Vlaicu’ University of Arad in partnership with Arad City Hall, Arad County Council and the Institute for Project Development and Expertise of the Republic of Moldova, in order to support the authorities of the Republic of Moldova in the process of European integration.
