Announcement regarding the launch of the competition for the collection of project proposals to be financed through the program of activities for the reintegration of the country for the year 2023

As provided by art. 3 letter a) of the State Budget Law for the year 2023, no. 359 of 22 December 2022 (in force from 01 January 2023, Official Monitor of the Republic of Moldova, no. 435-437, art. 807 of 28.12.2022), budget allocations in the amount of 15 million lei were provided for the country's reintegration activities.

Accordingly, in order to identify the beneficiaries and distribute the allocations mentioned above, according to the requirements of Government Decision no. 131 of 21.02.2014, the competition for the collection of project proposals to be evaluated, selected and approved for financing through the program of activities for the reintegration of the country for the year 2023 is announced for the period January 3 - February 24, 2023.

Projects to be implemented in the localities within the perimeter of the Security Zone and which will contribute to achieving the desired reintegration of the country, solving strategic problems and with major community/regional impact, as well as projects that will improve public services, will be considered eligible for funding.

In light of current government priorities, the activities and initiatives that will focus on the following specific areas will be examined as a matter of priority: promoting respect for fundamental human rights, supporting the activity of institutions located in the Security Zone, modernizing the ferry infrastructure, streamlining public services, protecting health, the development of the cultural/architectural/artistic heritage, education and sports, the consolidation of the energy sector, other actions able to

contribute to the achievement of the government's goal of reintegration of the country.

According to the provisions of Government Decision no. 131 of 21.02.2014 for participation in the project competition, the initiating public authority must complete an application form (click here), attach to it the relevant documentary set (point 7 of annex no. 1 to Government Decision no. 131/2014) and submit the original file to the State Chancellery in order to verify its compliance with the established eligibility criteria, with the subsequent evaluation of the project by the Selection Committee approved by Government Decree.

The list of project proposals accepted by the Commission, as well as the distribution by recipient of the respective allocations, will be approved by Government decision, after completing the procedures stipulated in Government Decision no. 131/2014.

February 24, 2023 is the deadline for submitting project proposals, including on the address reintegrare@gov.md.

We remind that the program of activities for the reintegration of the country was launched in 2011, with a total of 524 projects worth over 160 million lei being approved for financing.
