518 neutral model diplomas were apostilled by the competent authorities of the Republic of Moldova over almost 5 years

Restoring the unique educational space in the eastern districts of the country and offering prospects for a more prosperous future to young people from the region is a priority for the constitutional authorities.

In this regard, since the implementation of the Protocol Decision "Regarding the application of the apostille on study documents from the Transnistrian region" of November 25, 2017, for a period of approximately 5 years, the implementation of the apostille mechanism for diplomas of the agreed neutral model issued by "Taras Şevcenco" University from Tiraspol has been ensured, in compliance with the rigors prescribed by the national legislation.

Thus, in the period 2018-2022, 518 diplomas were apostilled in neutral format, with the following most requested destinations: Italy (104), USA (75), Bulgaria (56), Poland (48), Israel (47), France (33), Austria (25), Great Britain (20) etc.

The member states of the European Union represent the main destination for continuing studies (67,96%), followed by the USA (14,48%), Israel (9,07%), Great Britain (3,86%) and others.
