The 60th Anniversary of the “Vlad Ioviță” Theoretical Lyceum Founding

On November 14, 2023, representatives of the Bureau for Reintegration Policies, Aurelia Barbaroș and Ivan Țurcan, participated at the festive event celebrating the 60th anniversary of the “Vlad Ioviță” Theoretical Lyceum Foundingin Cocieri commune, Dubăsari district.

At the opening of the event, the representative of the Bureau, Aurelia Barbaroș, addressed sincere congratulations to the teaching staff, the administration of the educational institution, as well as to all those present at the event. Gratitude was expressed for the selflessness shown in educating the younger generations, promoting national values, as well as the hard work done for the multilateral development of children.

During the event, representatives of the Lyceum administration highly appreciated the support provided by the Bureau for Reintegration Policies and the beneficial contribution brought to the development of the educational institution and its proper functioning.

We mention that, through the allocations distributed through the Program of activities for the reintegration of the country, "Vlad Ioviță" Theoretical Lyceum benefited from 6 projects which total 1.88 million lei (change of windows, renovation of the heating system, repair/adaptation of various rooms etc.).
