Deputy Prime Minister Vlad Kulminski discussed with representatives of Berlin Economics GmbH

09.09.2021, Chisinau – Deputy Prime Minister, Vlad Kulminski participated today in a working meeting with representatives of Berlin Economics GmbH, along with the Head of the Bureau for Reintegration Policies, Alin Gvidiani.

During the discussion, the interlocutors reviewed the activity carried out in the Republic of Moldova by the experts of Berlin Economics, the studies and reports, events and the technical expertise and sectorial consultancy provided by them.

The Deputy Prime Minister showed interest in the reported activities and kindly requested for analyses, reports, technical opinions and recommendations formulated by the consulting company to be submitted for further insight in order to get a clear picture about the materials generated by Berlin Economics. Especially assessments of social-economic developments in the Transnistrian region and the progress achieved in implementing DCFTA standards in the region pursuing the goal of harmonizing standards with those on the right bank of the Nistru river were asked for.
