Weekly meeting of the Joint Control Commission

Today, March 17, 2022, the members of the Joint Control Commission came back to Bender to continue the discussions regarding the situation in the Security Zone and the functionality of the peacekeeping mechanisms.

The sides acknowledged the notification of the Embassy of Ukraine regarding the temporary withdrawal of the Ukrainian military observers from the Mixed Peacekeeping Forces, in connection with the situation in Ukraine.

Inasmuch as the exponents of Tiraspol in the Commission resumed their attempts to draw the activity of the Joint Control Commission towards political disputes, contrary to the regulation and ignoring the previous constructive practice in similar cases, the approval of the agenda failed.

After prolonged and contradictory discussions, the meeting has been postponed for a week at the proposal of the delegation of Russian Federation.
