The Bureau’s team participated at the inauguration of a project, financed from the budget allocations for the Reintegration Activities of the Country and received by P.I. ‘Dumitru Matcovschi’ school in Vadul-Rascov village, Soldenesti district

A festive event was held today, September 21, 2022, in the premises of P.I. ‘Dumitru Matcovschi’ school from Vadul-Rascov village, Soldanesti district, dedicated to the completion of the school yard arrangement project, financed through the Program of Activities for the Reintegration of the Country for 2022.

Representatives of the Reintegration Policies Bureau, local public and district administration, school’s board and the teaching staff attended the solemn meeting.

The adjustment of the side space and the arrangement of the school yard will create a pleasant, friendly, and modern atmosphere for approximately 180 pupils from Vadul-Rascov village.

Director of the school, Rita Negru-Voda had a warm message of thanks for the given support, as well as highly appreciated the openness and permanent responsiveness shown by the Deputy Prime Minister for reintegration and the Reintegration Policies Bureau.
