Meeting of the Deputy Prime Minister for Reintegration with the German Ambassador

Deputy Prime Minister for Reintegration Oleg Serebrian had a meeting with Ambassador of the Federal Republic of Germany to the Republic of Moldova, Margret Uebber.

The discussion covered a wide range of topics related to the situation in the region, the national security of the Republic of Moldova and its risks. Deputy Prime Minister Oleg Serebrian also referred to the current state of the Transnistrian file, recognising that the negotiation process is stalling, but not because of Chisinau, as Tiraspol claims. In this context, the example of the Working Group on human rights was brought up, the convening of which has been requested by Chisinau several times over the last months, but ignored by Tiraspol. Oleg Serebrian reiterated that he does not see the possibility of a meeting in the ‘5+2’ negotiating format as long as the Russian invasion in Ukraine continues.
