Working visit of the Deputy Prime Minister for Reintegration Oleg Serebrian to the Bălăbănești commune, Criuleni district

On 23 November 2023, Deputy Prime Minister for Reintegration Oleg SEREBRIAN made a working visit to the commune of Bălăbănești in the Criuleni district. During the visit, discussions took place with representatives of local public administration, management and employees of educational institutions, as well as local councillors.

During the dialogue, topics related to community development, the need to improve conditions in educational and cultural infrastructure, as well as possible options to modernise the main public utility objectives in the village were addressed.

Oleg Serebrian visited the Youth Centre in the village of Mălăiești Noi, Bălăbănești commune, and the School of Arts in the same commune.

During discussions with the administration of the art school and its collective, including several young professionals, it was agreed that a constant dialogue should be maintained with a view to finding solutions to improve the conditions of education for children attending the institution.

During the visit, the Deputy Prime Minister stressed the importance of intensifying collaboration between local and central public authorities in order to manage the existing problems effectively and to provide support to citizens in overcoming the encountered difficulties.

It should be noted that the Bălăbănești municipality benefited from 8 projects totalling more than 3 million lei for the modernisation of the kindergarten, the creation of the

Youth Centre, the renovation of heating facilities, road infrastructure, etc.
