Deputy Prime Minister, Vlad Kulminski in dialogue with presidents of the rayons from the Security Zone perimeter

20.08.2021, Chisinau – The Deputy Prime Minister, Vlad Kulminski held, today, online talks with presidents of rayons which include localities within the perimeter of the Security Zone.

The meeting was initiated by the Deputy Prime Minister. The purpose was to exchange information on the current situation at local level, the most pressing issues of community interest, as well as to highlight the priorities of the Government of the Republic of Moldova in promoting the country's reintegration policies.

The Deputy Prime Minister and representatives of the Bureau for Reintegration Policies expressed the availability to provide full support in identifying viable solutions for raised issues, with the involvement of other competent public authorities.

The representatives of the local public administration authorities were also encouraged to be proactive and to come up with project proposals of major socio-economic impact, to participate in project competitions financed by governmental, national and international programs. The Bureau is ready to provide advice and methodological support in this regard.

In the near future, documentary visits in the field will start, with the participation of the Deputy Prime Minister and the officials from the Bureau for Reintegration Policies.
