The delegation of the Republic of Moldova opts for the transparency of the activity of the Joint Control Commission

At the meeting which took place on February 16, 2023, a discussion was held on the refusal of the Press Center of the Joint Control Commission to grant accreditation to a journalist from Chisinau, who requested it in the established manner.

The co-presidents of the JCC from the Russian Federation and Tiraspol also rejected the positive resolution of the issue.

The delegation of the Republic of Moldova qualified this position as discriminatory treatment in relationship with the mass media on the right bank of the Nistru River.

The accreditation of the journalist, as well as the case of the minor kidnapped in Bender on January 20, will remain among the priority topics at the next meeting of the Commission.
