The Joint Control Commission met in Bender

At the meeting that took place on September 7, 2023, the Joint Control Commission heard the reports of the Joint Military Command regarding the situation in the Security Zone during August. In addition, the representatives of the OSCE Mission in Moldova informed that in August they carried out 14 trips with the aim of monitoring the perimeter of the Security Zone.

In this context, the delegation of the Republic of Moldova drew attention to the fact that there are still illegal posts in the area of responsibility of the Joint Peacekeeping Forces,

It was mentioned that these posts were installed abusively by the Transnistrian enforcement structures in defiance of the basic documents of the peacekeeping operation on the Nistru River, and the demand to remove them unconditionally and to ensure free movement in the Security Zone was reiterated.
