500 diplomas of neutral model were authenticated by the competent authorities of the Republic of Moldova

The reintegration of the unique educational space and the opening up opportunities for young scholars from the left side of the Nistru river and the municipality of Bender seeking to affirm their potential and achievements within the country and abroad, including in the European region, is a priority constantly promoted by the authorities of the Republic of Moldova.

Therefore, since the implementation of the Protocol Decision of 25 November, 2017, which refers to the apostille mechanism of neutral model diplomas in the agreed format, issued by the "Taras Shevcenko" University of Tiraspol, as well as in accordance with the rigors of the national normative framework, so far 500 of such diplomas have been authenticated. The most requested destinations are: Italy (102), USA (72), Bulgaria (52), Israel (46), Poland (46), France (32) etc.

New study opportunities have been discovered by students from the Transnistrian region in many other countries in the European Union as well, such as: Romania, Spain, the Netherlands, Ireland, Austria, Belgium, etc.

This image reveals not only the enhanced attractiveness of the benefits and the high-quality studies offered by the Republic of Moldova and its international partners, which is part of the country's reintegration policies framework, but also the uninterrupted implementation of the commitments agreed in the process of negotiations regarding the Transnistrian settlement.
