Almost 354 thousand inhabitants of the Transnistrian region hold the citizenship of the Republic of Moldova and almost 363 thousand are included in the State Register of Population

According to the data provided by the Public Services Agency, on March 31, 2023, 362,926 residents domiciled on the left bank of the Nistru River and the municipality of Bender were recorded in the State Register of Population, of which 353,877 possessed the citizenship of the Republic of Moldova, 331,321 held passports of the citizen of the Republic of Moldova and 295 505 held identity cards.

In the period January 1-March 31, 2023, 869 residents of the Transnistrian region benefited from facilitations for the issuance of the identity card of the citizen of the Republic of Moldova, and 168 - for the issuance of the provisional identity card.

It is worth mentioning that under the conditions of the simplified procedure for acquiring the citizenship of the Republic of Moldova (on the basis of written consent and on the basis of civil status documents certifying birth on the territory of the country), in the period 19.04.2018-31.03.2023, 33,462 people were recognized as citizens of Republic of Moldova, of which 23,067 (about 69%) are residents of the left bank of the Nistru River and Bender municipality who previously obtained identity documents of citizens of the Republic of Moldova.

During the first quarter of 2023, 2,197 people from the region requested the certification of civil status facts, a number of 2,340 civil status documents being certified for them, while 1,663 duplicates were issued because of repeated applications.
